

Privacy Policy

Primex Healthcare Services Inc. Privacy Policy (HIPAA-Compliant)

This Privacy Policy describes how we protect patient information in compliance with HIPAA, California state law, and federal privacy rules.

We collect, use, and disclose health information only as permitted by law.

Patient Rights:

- Right to access and request copies of health records.
- Right to request amendments and corrections.
- Right to restrict certain disclosures.
- Right to receive a Notice of Privacy Practices.

Data Security:

- All PHI and ePHI are encrypted in storage and transmission.
- Only authorized staff may access patient data after HIPAA training.
- Breach protocols are in place in accordance with HIPAA and HITECH.
